**Re: Proposed South Cumberland Heights Historic District**

Dear Members of the Historic Preservation Commission:

On behalf of the Board of Directors of The Glendale Historical Society and its more than 700 members, I would like to express our enthusiastic support for the proposed South Cumberland Heights Historic District.

Consisting of 209 homes, the proposed South Cumberland Heights Historic District extends south of the existing North Cumberland Heights and Ard Eevin-Highlands Historic Districts and observes the contribution of Dan Campbell to the development of Glendale and the period revival architecture of the 1920s and 1930s.

TGHS strongly supports the City's historic district designation program, and we encourage the Historic Preservation Commission to make a preliminary determination regarding the area's eligibility and authorize the proponents to issue a petition requesting a formal historic resources survey.

Thank you for your consideration.

Sincerely,

*Greg Grammer*
